An aerial photograph of Dubai, United Arab Emirates, featuring the Burj Khalifa as the central focus. The skyscraper is a tall, slender, tapering tower with a glass facade, reaching towards the top of the frame. The surrounding cityscape is dense with various high-rise buildings and residential structures. In the foreground, there are several large, circular swimming pools with turquoise water, interspersed with landscaped areas and roads. The background shows a vast, flat desert landscape under a clear blue sky with a few wispy clouds. The overall scene is a panoramic view of a modern, developed city in a desert environment.

Dubai Engineering Approvals

A dream of many ideas coming together, with great passion and an opportunity ceased is how Great Approvals Team was born. Our aim was to create an entity independent in all aspects of engineering to simplify all needed approvals here in Dubai. We have built our divisions in order to create the perfect utilization of our available resources and eliminate needs of contracting, which in turn saves great deals of time in the servicing, revolutionary, expansion of projects and many others that could help Dubai market and business in overall reliable aspects. We have been developing our divisions with immense speed and take great interest in the interests of our clients and understanding their needs. We are developing ourselves in order to be the one stop solution to every aspect of the heavy industry
